Projects

LineUp

<https://github.com/marywebby/lineup> - Developed a routine generator with a responsive and aesthetically pleasing user interface, accompanied with a tailwind framework with Ruby on Rails. Implemented OpenAI's API for a logistical and innovative approach to solving users common roadblocks in their daily schedule.

GigIt

<https://github.com/marywebby/GigIt> - Created a platform for users to showcase side-gigs and manage payments. I implemented the resolvers and typeDefs for database querying and additionally assisted with UI styling, built using JavaScript with a React front-end.

Experience

Discovery Partners Institute Tech Ready Apprenticeship · Chicago, IL

Feb. '24 - May '24

Software Developer Trainee

- Attended weekly classroom sessions and developed full-stack web apps utilizing technologies such as Ruby on Rails, PostgreSQL, and JavaScript.
- Collaborated in teams throughout the development life cycle, researched issues, and designed solutions, while curating deadlines and delegating responsibilities.
- Engaged in networking events hosted by DPI to meet industry professionals in tech, sales, and e-commerce, enhancing soft skills through workshops in public speaking and networking for personal growth.

TalkDust Inc. · Chicago, IL

Dec. '23 - Feb. '24

Jr Front End Web Developer

- Developed and designed emoji reaction buttons for messages within TalkDust's chatrooms, aimed at connecting people over shared interests, utilizing JavaScript and Lit Elements for functionality.
- Assisted the UX team in the design process by creating mockups of the website's model using tools such as Figma for seamless creation and visibility of the product outcome.

AmeriCorps VISTA · Lansing, MI

Jun. '22 - Aug. '22

Community Resilience Summer Associate

- New position at Allen Neighborhood Center funded through AmeriCorps VISTA, a program focused on addressing issues related to poverty, such as public health, education, the environment, public safety, and employment.
- Coordinated the Bread Basket Initiative, overseeing the distribution of free produce and baked goods from the Nonprofit Organization, Allen Neighborhood Center.
- Canvassed low-income neighborhoods in the area, informing residents about news and resources available at the center, in addition to gathering their perceptions of the 'state of the neighborhood'.

Allen Neighborhood Center · Lansing, MI

Jan. '22 - May '22

Market Moves Coordinator Intern

- Curated fitness and movement classes specific to residents and of Allen Neighborhood Center, accounting and accommodating for limited mobility and range of motion for senior and disabled participants.
- Supported the set up and operation of the year-long EBT-friendly farmers market, aiding customers in accessing funds from their accounts and transferring them into token currency for purchasing.
- Supervised the Market Moves Program, encouraging exercise by providing tokens to the Farmers Market as incentives for exercising, healthy eating, and supporting local farmers.

Activities

Discovery Partners Institute Mentorship Program

Mar. '24 - Present

Mentee under César A. Lostaunau, Director of DEI at Anywhere Corporate

- Engaged in regular mentorship sessions focusing on networking, collaboration between teams, and corporate advice.
- Gained insights into corporate best practices and career development strategies.

Ladies First A Cappella

Sep. '18 - May '22

Public Relations Manager & Member

- Sang Soprano 2/Alto 1 for Michigan State University's only all-treble a cappella group, winning awards at events such as the International Championship of Collegiate A Cappella.
- Produced content for all social media platforms, ranging from performance details and upcoming music releases.
